

Constellation Project

My Constellation _____

Day 1: Library Research

Conduct library research using reference materials and/ or internet resources.

Write a report with the following guidelines:

- A minimum of 1 full page double-spaced, typewritten using Times New Roman and 12 point font.
- Use 1" margins for top, bottom and sides.
- At least 2 References must be listed using MLA format (one must be a book)

Use the FACT FINDING SHEET to help you gather research information

Day 2: Constellation Map

Make a constellation map in class. You will need a constellation star map for your constellation and any other supplies you want for your project. Black paper and stars will be provided.

Label important stars or objects in your constellation.

Day 3: Final Project Due

Provide a brief presentation of your constellation. Choose at least 5 interesting facts about your constellation and mythological story to present to the class. Use index cards for your facts during presentation.

Grading Guidelines:

A. Constellation Map: (10pt)

- Accuracy (4)
- Neatness (2)
- Labels (2)
- Directions Followed (2)

B. Constellation Report (25 pt)

- Mythology (8)
- Other Information (8)
- Length (5)
- Directions Followed (2)
- References (2)

C. Presentation (15 pt)

- Voice Volume and Rate (2)
- Eye Contact (2)
- Facts Presented (5)
- Question Handling (3)
- Used index or note cards (3)
